

THE MATZO PROJECT introduces carefully made, artfully packaged, legitimately scrumptious matzo to a stale, outdated corner of the marketplace.

As one of YOUR (savvy, sophisticated and very good-looking) CUSTOMERS I am super-keen on getting some of this unleavened goodness up on your shelves, and into the hands of fellow cracker-snackers, so no dilly dallying...

Write directly to [orders@matzoproject.com](mailto:orders@matzoproject.com), call 929-27-MATZO or visit [matzoproject.com](http://matzoproject.com) to fill out a handy Retailer Request form. Either way, let's make this thing happen, eh?!
